

Steelcase®

Steelcase Series® 1
Office Chairs

Steelcase Series 1 gives you essential ergonomics and quality at a great value. This high-performance office chair boasts space efficiency, intuitive controls and an even more sustainable option.

Ergonomics for Everyone

Steelcase Series 1 offers an exceptional entry point into high-performance ergonomic office seating and weigh-activated or manual tension adjustments – customized to fit you.

Delivering on What's Important

Performance, style and choice. Choose from plenty of back, seat and frame color choices to create the perfect chair to fit you and your space. Steelcase Series 1 is where serious support, lighthearted looks and exceptional value all come together—a different class that's still best-in-class.

Performance Features

Two Mechanisms
Features a weight-activated synchro mechanism that allows for automatic and intuitive adjustments OR a Manual synchro mechanism that allows for precise adjustments, and personal comfort.

Fully Adjustable Arms
Standard 4-dimensional arm support adjusts to preferred height, width, depth, and pivot.

Standard Lumbar Support
Height-adjustable lumbar support comes as standard.

Optional Lumbar Support
Height- and depth-adjustable. Depth control allows users to set the extent of the forward support to suit different postures and reduce lower back pressure.

Seat Ergonomics
Seat is height- and depth-adjustable. Flexible edges and adaptive bolstering in the seat foam provide pressure-free comfort.

Seat Angle Adjustment
Offers an adjustable seat angle for users who want more posture options.

Recline Adjustments
Weight-Activated Synchronized Mechanism: Recline range includes: full recline, a boost setting and an upright back lock.

Manual Synchronized Mechanism: Recline range includes: full recline, two intermediate recline stops and an upright back lock.
